

Mr. E

Right on Perivolos beach, on the grounds of Isthia Hotel, a captivating dining experience known as Mr. E awaits to be discovered. Offering an enticing array of culinary delights, Mr. E is more than just a place or a person; it embodies an enchanting vibe and an intriguing mystery, as its name suggests. Open for breakfast, lunch and dinner, Mr. E translates the rich cultural heritage of Santorini into recipes.

Incarnating local produce with respect to tradition has always been at the heart of Mr. E. This incarnation is infused with the minimal, freestyle gastronomic approach of acclaimed chef Yiannis Kioroglou, who has created his very own rendition of philoxenia, approaching the world's cuisines with a fresh eye that celebrates seasonality and local flavors.
